Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22314-1450

Dear Sir:

Please find enclosed the total deficiency payment for the above-mentioned patent pursuant to 37 C.F.R. 1.28(c)(1) and (2). During the course of ongoing litigation of related cases, the applicants reviewed this claim to small entity status. As a result of this review, the applicants have decided to correct any error in fee payment that may have occurred during prosecution of this case. The previously established small entity status was established in good faith, and the previously paid small entity fees were paid in good faith. The USPTO has not been notified of a loss of entitlement to small entity status prior to this notification. Small entity status is no longer appropriate.

It is respectfully requested that this error be excused and the total deficiency payment enclosed herewith and pursuant to 37 C.F.R. 1.28(c)(1) and (2) be accepted. An itemization of the total deficiency payment for this patent is attached.
